PowerWipes

Product properties

Large, strong wet wipes for versatile cleaning of surfaces and hands. Effective against grease, paint, silicone, uncured PU foam and adhesive residues. Extra strong, soft material with high absorbency. Contains vitamin E and Aloe Vera. Vitamin E is moisturising and has a protective and healing effect on the skin. Aloe Vera protects the skin, moisturises and relieves irritation. Perfume-free.

- **Multifunctional wet wipes**
- **For hands and surfaces**
- **Perfume-free**

Product use

Removes dirt, grease, paint, silicone, uncured PU foam and adhesives.
Super strong and soft wet wipes that feel like fabric with high absorbency.
The ideal choice for versatile cleaning, especially in connection with painting work.
Can be used to smooth joint sealants to achieve a uniform surface.

Application

These extra-large wet wipes are designed to handle spills effectively thanks to their high absorbency.
With their strength and softness reminiscent of fabric, they are comfortable to work with.
The wipes remain wet and usable for a long time.

Good practice

Close the package after use so that the wet wipes do not dry out.

Please note!

Do not use the product close to the eyes.
If the product comes into contact with the eyes, rinse thoroughly with water.

Environmental information

The wet wipes must not be disposed of in the toilet.

Storage

Do not store in direct sunlight.
Keep out of reach of children.

Supplementary Info

Shelf life after opening: 3 months
