Smart Series All-purpose Cloth 10 pcs

Smart Series is the versatile choice for most common tasks. The series offers a good balance between quality, functionality and price and is suitable for both professional users and DIY users.

Product properties

Versatile cleaning cloths for wiping, washing and light polishing. The blend of viscose and polypropylene provides an absorbent cloth with good dimensional stability. The cloth can be used for general cleaning and surface preparation before painting.

- **For versatile cleaning**
- **Absorbent material**
- **10 cloths per pack**

Product use

For wiping, washing and light polishing of washable surfaces in homes, workshops and work areas.

Cleaning and Maintenance

Rinse the cloth thoroughly after use and allow it to dry before storage.

Good practice

Use separate cloths for different tasks to avoid transferring dirt and materials between surfaces.

Please note!

Test the suitability of the cloth on a small, inconspicuous area before using it on delicate or glossy surfaces.

Supplementary Info

Sort used cloths according to their contents and in accordance with local waste regulations. Cloths containing paint, oil or chemical residue must be handled in accordance with the instructions for the product used.
