Pro Series Wallpaper Scissors

Pro Series is developed for daily professional use, where reliability, durability and efficiency are essential. The series combines high functionality with robust materials and contributes to consistent results day after day.

Product properties

Professional wallpaper scissors for precise trimming of wallpaper and wallcoverings. The long stainless steel blades provide clean cuts with high precision and minimal effort. The ergonomic grip ensures comfort during extended periods of use.

- **Ergonomic grip**
- **Stainless steel blades**
- **Precise trimming**

Product use

For trimming wallpaper, wallcoverings and decorative wall textiles.

Cleaning and Maintenance

Remove excess paste immediately using a sponge and lukewarm water.

Good practice

Cut using long, smooth strokes for the most accurate result.

Please note!

The blades are extremely sharp. Keep out of reach of children.
