# Start Series Roller Medium Quick

Start Series is the cost-effective solution for simple painting tasks. The series is suitable where functionality and price are prioritised over finish and performance. The rollers provide satisfactory paint uptake and give the surface a clearly visible structure. An obvious choice for quick tasks and smaller projects.

## Product properties

Flügger Start Series Roller Medium Quick is made from polyester fibres. Medium pile with good paint uptake leaves a lightly textured surface. Suitable for smooth or slightly rough surfaces.

- **Simple and short tasks**
- **Functionality at a low price**
- **Single-use and quick use**

## Product use

Painting and varnishing of walls, ceilings, floors and woodwork, indoors and outdoors. Suitable for use with all types of water-based paints and oils. Wash the paint roller in water before use and stir the paint thoroughly before commencing work. Store the roller in airtight packaging when not in use and avoid storing in water.

## Cleaning and Maintenance

Clean rollers with water, alternatively Brush cleaner, Basic cleaner or liquid soap.

## Useful Information

Disposal: Remove as much paint as possible from rollers before they are disposed of as small, burnable waste items.

## Good practice

Remove as much paint as possible from tools before cleaning. Do not pour liquid paint residue or cleaning fluid down drains. Clean rollers thoroughly to remove any paint residue. Avoid putting a strain on the roller during drying and store it dry.

## Please note!

The paint roller fits a Quick roller handle with a 2-piece handle made of 6-8 mm galvanised steel. Sturdy handle which fits Flügger extension poles.

## Country of Origin

Sweden
