# Pro Series Paint Tray

The Pro Series is developed for daily professional use, where reliability, durability and efficiency are essential. The series combines high functionality with robust materials and delivers consistent results day after day.

## Product properties

Flügger Pro Series Paint Tray for use with paint rollers. Ensures even and consistent paint distribution on the roller. Designed with a roll-off area for efficient paint loading and distribution.

- **Even paint distribution**
- **Efficient roll-off area**
- **Available in multiple sizes**

## Product use

Used for paint pick-up and distribution on the roller before application. Contributes to even paint application and a more efficient work process.

## Cleaning and Maintenance

Clean tools with water and mild soap.

## Good practice

Remove as much paint as possible from the tool before cleaning. Do not dispose of liquid paint or cleaning residues in drains.

## Please note!

To minimise waste, it is recommended to continuously adjust the amount of paint poured out as needed. Any remaining paint can be taken to a local recycling centre.

## Country of Origin

Sweden
