# Excellence Telescopic Extension Pole

Excellence is developed for professional users who demand the highest standards of quality, precision and finish. Products in the series are manufactured from premium materials and designed to deliver maximum control, durability and performance.

## Product properties

Flügger Excellence Telescopic Extension Pole for mounting on roller handles and paint brushes. Extends reach and reduces the need for ladders during painting work. Equipped with a quick-lock mechanism for easy length adjustment and increased reach while working.

- **Reach up to 180 cm**
- **Quick-lock mechanism for precise length adjustment**
- **Reduces the need for ladders**

## Product use

Telescopic extension pole attaches to roller handles and paint brushes. Compatible with both Quick and Gable roller handles.

## Cleaning and Maintenance

Clean tools with water and mild soap.

## Good practice

Remove as much paint as possible from the tool before cleaning. Do not dispose of liquid paint or cleaning residues in drains.

## Country of Origin

Sweden
