Smart Series Abrasive Sponge 70 mm x 100 mm

Smart Series is the versatile choice for most common tasks. The series offers a good balance between quality, functionality and price and is suitable for both professional users and DIY users.

Product properties

Flexible abrasive sponge for hand sanding of profiles, edges and hard-to-reach areas. The foam core adapts to the surface and provides even sanding without sharp transitions.

- **Flexible and comfortable**
- **Ideal for profiles and details**
- **Can be used on curved surfaces**

Product use

For sanding woodwork, mouldings, profiles, filler and painted surfaces.

Cleaning and Maintenance

Can be tapped or brushed clean of dust.

Good practice

Apply light hand pressure for best results.

Please note!

Suitable for hand sanding.
