Pro Series Wallpaper Knife

Pro Series is developed for daily professional use, where reliability, durability and efficiency are essential. The series combines high functionality with robust materials and contributes to consistent results day after day.

Product properties

Wallpaper knife for precise trimming of wallpaper and other wall coverings. Adjustable cutting depth and corner distance settings provide high precision for edges and joints. The ergonomic handle ensures comfortable handling during use.

- **Adjustable cutting depth**
- **Ergonomic handle**
- **Precise trimming**

Product use

For trimming wallpaper, glass fibre wallcoverings, lining fabric and other wall coverings.

Cleaning and Maintenance

Keep the knife free from adhesive and material residues.

Good practice

Replace blades regularly to ensure clean cuts.

Please note!

Always use sharp blades for optimum results.

Supplementary Info

Waste handling: Remove as much paint as possible before disposal. Separate metal and plastic components for recycling in accordance with local waste regulations.
