Pro Series Washing Brush for Extension pole

Pro Series is developed for daily professional use, where reliability, durability and efficiency are essential. The series combines high functionality with robust materials and contributes to consistent results day after day.

Product properties

House washing brush for cleaning facades, eaves and other exterior surfaces. Four rows of synthetic bristles ensure effective cleaning, while the threaded fitting allows attachment to an extension pole for increased reach.

- **Four rows of bristles**
- **Fits extension poles**
- **Effective facade cleaning**

Product use

For cleaning facades, fences, eaves and other exterior surfaces.

Cleaning and Maintenance

Rinse the brush thoroughly with clean water after use.

Good practice

Work from top to bottom when cleaning facades.

Please note!

Check that the extension pole is securely attached before use.

Supplementary Info

Waste handling: Remove as much paint as possible before disposal. Separate metal and plastic components for recycling in accordance with local waste regulations.
