

Pro Series QuickMask Plastic

The Pro Series is developed for daily professional use, where reliability, durability and efficiency are essential. The series combines high functionality with robust materials and delivers consistent results day after day.

Product properties

Masking film with an integrated tape edge for rapid covering of larger areas. The film unfolds after the tape has been applied and efficiently covers the surface. Reduces the time required for masking during painting and renovation work.

- Integrated tape edge
- Fast covering
- For large surfaces

Product use

For covering windows, doors, furniture, panels and wall sections.

Cleaning and Maintenance

Single-use product.

Good practice

Apply the tape to a clean and dry substrate.

Please note!

Test tape adhesion on sensitive substrates.

Supplementary Info

Waste handling: Dispose of used covering material as combustible waste after use.

Country of Origin

Vietnam
