Smart Series Rubber Filler Knife

Smart Series is the versatile choice for most common tasks. The series offers a good balance between quality, functionality and price and is suitable for both professional users and DIY users.

Product properties

Rubber grout float for efficient distribution of grout between tiles. The flexible rubber blade ensures good surface contact and helps achieve even filling of grout joints.

- **Suitable for tile grouting**
- **Flexible rubber blade**
- **Easy to clean**

Product use

For distributing grout on tiled walls and floors.

Cleaning and Maintenance

Remove as much sealant as possible from the tool before cleaning. Clean the tool with water and, if necessary, liquid soap. Do not pour leftover sealant or cleaning liquids into drains.

Good practice

Work diagonally across the joints for optimal filling.

Please note!

Remove excess grout before it hardens.

Supplementary Info

Waste handling: Sort metal, plastic and other components for recycling according to local waste regulations.

Country of Origin

China
