

Smart Series Cutter Knife

Smart Series is the versatile choice for most common tasks. The series offers a good balance between quality, functionality and price and is suitable for both professional users and DIY users.

Product properties

Versatile snap-off knife for cutting wallpaper, masking materials, cardboard and other materials during renovation projects. The automatic locking mechanism secures the blade firmly in position during use. Compatible with standard 18 mm snap-off blades, which can be replaced easily when worn.

- Automatic blade lock
- 18 mm snap-off blades
- Robust metal rail

Product use

For cutting wallpaper, masking materials, film, cardboard and lightweight building materials.

Cleaning and Maintenance

Remove excess paste immediately using a sponge and lukewarm water.

Good practice

Always use a sharp blade for precise and safe cutting.

Please note!

Always retract the blade after use.

Supplementary Info

Waste handling: Sort metal, plastic and other components for recycling according to local waste regulations.

Country of Origin

Taiwan
