Pro Series Universal Blade

Pro Series is developed for daily professional use, where reliability, durability and efficiency are essential. The series combines high functionality with robust materials and contributes to consistent results day after day.

Product properties

Replacement blades for wallpaper knives and other compatible cutting tools. The sharp steel blades provide precise cuts in wallpaper and wallcoverings. The reversible design extends blade life and ensures efficient use of the blade.

- **Sharp steel blades**
- **Reversible design**
- **Precise cutting**

Product use

For cutting wallpaper, lining paper, glass fabric and other wallcoverings.

Cleaning and Maintenance

Remove excess paste immediately using a sponge and lukewarm water.

Good practice

Replace or reverse the blade at the first sign of wear.

Please note!

Handle the blades carefully to avoid cuts and injuries.
