Smart Series Jumbo Brush

Smart Series is the flexible choice for most common painting tasks. The brushes provide efficient paint pickup and even coverage, helping you achieve a solid and neat final result. Designed with a focus on ease of use, comfort, and easy cleaning. Ideal for both indoor and outdoor use when you want a good solution without paying for specialized features.

Product properties

Jumbo brush with durable bristles and an ergonomic wooden handle. Resilient bristles for high-viscosity products provide good coverage and a uniform finish. Suitable for corners, edges, and wider cutting-in tasks. The long handle increases reach. Stainless steel ferrule ensures maximum durability.

- **Good coverage on larger surfaces**
- **Even application with minimal splatter**
- **Flexible brush for many tasks**

Product use

Painting of walls, ceilings, pipes, panels, casings and frames. Rinse the brush in water before use and work thoroughly into the paint. Store the brush in airtight packaging when not in use and avoid storing the brush in water.

Cleaning and Maintenance

Clean brushes with water, alternatively Brush cleaner, Basic cleaner or liquid soap. For non-aqueous paints, mineral turpentine can be used instead.

Useful Information

Disposal: Remove as much paint as possible from brushes before they are disposed of as small, combustible waste items.

Good practice

Remove as much paint as possible from tools before cleaning. Paint and cleaning fluid must not be poured down drains, but collected and disposed of as environmental waste. Clean the paint residue from the brushes right up under the ferrule. Paint residue under the ferrule and between fibres will coagulate and result in brittle bristles. Avoid loading the brushes during drying and store the brush dry.

Please note!

Use on very rough or textured surfaces may increase wear and shorten the brush’s lifespan.

Country of Origin

Sweden

Technical Data

Product Type	Brushes
Shaft	Ergonomic wooden handle
Roller size	50 mm; 70 mm

Metal ring	Stainless steel ferrule
